

# 1830NL Summary of rules

1830NL was created by Helmut Ohley in 1999.  
In principle the rules of 1830 are valid.

Corporations:

Short Name	Name	Token	Start-Field
AS	Almelo Salzbergen	4	E16
NCS	Nederlandsche Centraal Sp.	4	F13
DV	De Veluwe	4	G8
MES	M. tot Exploitatie v. Staats. Sp.	3	J7
HIS	Hollandsche IJzeren Sp.M.	3	E6 West
NZO	Nederlandsche Zuid Ooster	3	H13
ZHE	Zuid-Hol. Electricische Sp.	2	G2
NRS	Nederlandsche Rhijn Sp.	2	E6 South-East
NFL	Noord Friesche Lokaal	2	B15

Private Companies:

Price	Name	Dividend	blocks Field(s)	Special Abilities
20,-	1	0 !!	F5	can build an extra tile on F5 with 20 Gulden discount
40,-	2	5	F15, G16	free token on Field with large town but without track in phase lay token
70,-	3	10	F9	changeable in 10% DV
110,-	4	10	F19	plus 10% NCS
160,-	5	10	E4, E6	plus 20% Direktor HIS, closes, when HIS buys its first train
200,-	6	15	J3, K2	plus 30% Direktor NFL, closes, when NFL buys its first train

As the private company 1 pays no dividends the private company 2 gets 5 Gulden cheaper in the auction (similar to the SVR&N in 1830)

If the private company 2 lays its free token on H13, it remains there until the NZO has laid its first (home)-token.

Tiles:

Sort out from the 1830-tiles: the B-tiles, the NY-Tiles and the tiles with two small cities

Add the following tiles:

3 large yellow towns with a large curve (value 20), number 6

4 green X-towns (value 50) for the yellow X-towns on E6, G2, H3, numbers 12, 13, 205, 206

4 small green towns (value 20) for small yellow towns, Numbers 87, 88

2 brown X-towns (value 70), Numbers 218, 219

1 brown Z-town (value 70) for green Z-town on B15, Number 336

Other:

Add a 4-train and a 6-train.

The total money in the bank is the same as in 1830.

There is a 9th corporation, the NFL, with a 30%-presidency-share.

The limit of papers increases by one at more than 4 players and by 2 at less than 5 players.
